**السلام علیکم!**

We invite you to join us for the "Baidar e Nojawan Conference" on June 2, 2024, at Punjab University from 2-6 pm. This momentous gathering aims to inspire and empower the youth to become the vanguard of Islamic values and principles,, such as Khatme Nabuwat, Namoos e Risalat, and the dignity of the Quran.

We stand against the promotion of non-Islamic ideologies like liberalism, secularism, and communism, as well as concerts and non-Islamic cultural events in universities. Instead, we encourage youth to strive for excellence in science, technology, and Islamism, inspired by our role models Dr. Afia Siddiqui and Dr. Abdul Qadeer Khan.

We extend our hand of friendship and solidarity to all Personalities & Societies, urging you to join us in this noble quest to:

- Exalt the banner of Islam and its noble values
  - Support the just cause of Palestine and student rights
  - Empower the youth to become beacons of hope and guidance for the Ummah
- Together, let us rise to the challenge, rejuvenating our spirits and rededicating ourselves to the noble cause of Islamic ascendance.

You can join us physically at Punjab University or online via our official YouTube channel

**Thank You**

**السلام عليكم!**

I hope this letter finds you in good health and high spirits. I am writing to you today to appeal to your sense of purpose and identity. As Muslim students, we have a unique opportunity to shape our communities and uphold the values of our faith.

We kindly request that you refrain from organizing concerts and other activities that contradict Islamic values. Let us instead focus on promoting our rich Islamic culture and heritage. For too long, we have been influenced by Western culture and civilization, neglecting our own treasures.

Our role models are the prophets, companions, and heroes of Islam. Our culture is rooted in the Quran and the teachings of the Prophet Muhammad (ﷺ). Let us revive our legacy and stand united for the causes that matter: Khatme Nabuwat, Namoos e Risalat, Hurmate Quran, Afia Siddique, Abdul Qadeer Khan, Palestine, and Kashmir.

Together, let us embrace the motto "Islamismylife" and strive to create a harmonious and Islamic environment in our universities. We owe it to ourselves, our faith, and our future generations.

**Thank You**
